RSM McGladrey Nominated for 2008 Microsoft Dynamics™ US Partner of the Year

Moorestown, NJ – July 3, 2008 – In preparation for their Worldwide Partner Conference 2008, Microsoft announced this week their nominations for US Partner of the Year. RSM McGladrey, Inc. was among those partners nominated for the award.

“We are excited about this recognition from Microsoft. It is a direct reflection of our dedication and service to our clients. This distinction demonstrates our total team effort and I am pleased to see that all of our hard work this past year is getting the recognition we all deserve,” said Steve Ems, Managing Director of RSM McGladrey’s Moorestown, NJ office.

This award honors a partner whose annual performance has excelled in providing Microsoft Dynamics™ solutions with consistent, high-quality, predictable service helping to ensure significant business benefits for customers from their Microsoft Dynamics™ investments. It also demonstrates the business leadership with a solid go-to-market strategy that delivers strong year over year growth in new customer additions and revenue. There are 5,300 Microsoft Business Solution partners in North America.

The final announcement will be made next Wednesday evening at the President’s Club reception during the Worldwide Partner Conference, the company’s premier annual event for industry partners, being held next week in Houston.

Microsoft also recognized RSM McGladrey as a part of their “Inner Circle” which represents the top 1% of Dynamic Partners in the US and the local offices was awarded the ranking of President’s Club based on their last year sales.
