## RSM McGladrey ranks third in *Accounting Technology* VAR 100 List

**PHILADELPHIA (April 21, 2009)** — *Accounting Technology* has ranked RSM McGladrey third in their annual listing of the Top 100 Value Added Resellers (VARs) in the United States. The April 2009 issue included the rankings, recognizing companies that market mid-level accounting software packages based on their 2008 revenue figures.

*Accounting Technology* is a trade magazine addressing the use of technology within accounting while also providing up-to-date information on technology services and products.

RSM McGladrey's Technology Business Solutions practice has provided implementations for financial management solutions for over 20 years in a variety of industries, including healthcare, not-for-profit, distribution, financial services and public sector with over 2,000 clients across the country. Considered one of the largest VARs and ranked among the nation's top implementers, RSM McGladrey consultants come from diverse backgrounds as accountants, controllers, IT professionals and other positions within the industry and possess an understanding of the challenges facing growing businesses.

"RSM McGladrey offers businesses a tailored approach through deep industry experience by handpicked professionals who bring strong industry experience and the technical skills reflective of their needs," said Steve Ems, managing director of RSM McGladrey's Technology Business Consulting practice in the northeast region. "We believe the appropriate alignment of technology, processes and people can yield measurable results and provide significant value to emerging businesses."

RSM McGladrey is recognized as a Microsoft Gold Certified Partner, a member of Microsoft's Inner Circle and President's Club, and by *Accounting Technology* as a 2009 Technology Pacesetter.
